SUMMARY

A passionate Computer Science student at the Polytechnic University of the Philippines, eager to gain experience through a part-time development role. Enthusiastic about building innovative software solutions, solving coding challenges, and continually expanding technical expertise across various domains.

SKILLS

Languages: HTML5, CSS3, JavaScript, Python, C, PHP

Tools & Technologies: Git, Github, VS Code, Chrome DevTools, Flgma

Other Skills: Problem-solving, Adaptable, Time management

PROJECTS

Big Bang Quiz App

- A web-based quiz about planets and the Big Bang. It was created by a team utilizing JavaScript, HTML, and CSS and provides an exciting approach to explore cosmic knowledge.

Etch a Sketch

- A web-based drawing application that features a grid-based interface for digital sketching. It is built with JavaScript, HTML, and CSS, with an emphasis on interactive design and user creativity.

Rock, Paper, Scissors

- A simple but engaging web-based game in which users play rock, paper, scissors against a computer opponent. The project is built with JavaScript, HTML, and CSS and focuses on logic implementation, user interaction, and dynamic gameplay.

EDUCATION & SCHOLARSHIP

Bachelor of Science in Computer Science

Polytechnic University of the Philippines

- 2022 - Present

DOST RA 7687 Scholarship

- 2022 - Present

CODING CHALLENGE PLATFORM
